

PLEASE JOIN US FOR

COMPLETE INVERTER DESIGN TRAINING

TRAINING OVERVIEW

Yaskawa - Solectria Solar's Complete Inverter Design training covers our full product line, commercial and utility-scale inverters, combiner boxes, and web-based monitoring. In addition to our products, we will review NEC 2014 & 2017 code compliance and industry design trends.

TOPICS:

- Commercial and Utility-Scale Inverter Line-up
- Commercial Design Considerations
- NEC 2014 & 2017 - Arc Fault & Rapid Shutdown Compliance
- Central Inverter Replacements
